For project managers that want to write the Project Management Professional (PMP) certification exam. Also provides 35 hours of PMI approved educational training required for new PMP applications.

Location & Dates:

www.nationalpm.net - Workshop Schedules

Price: \$1,899

PDU: 35 PDU

Subject Code: PMP 250

What the Workshop Provides

PMP® Certification from the Project Management Institute is the industry standard for demonstrating competence and a solid foundation of project management skills. This workshop prepares participants to write the PMI Project Management Professional (PMP) certification exam and provides the 35 hour educational credits required for new applications.

Program Features

All official exam topics are covered using the PMI framework. The program features

- Comprehensive review of all PMBOK subject matter
- Review of all PMI Knowledge Areas.
- 1000 page Reference Binder covering all PMP exam topics organized by subject, knowledge area, and hundreds of review questions with answers for each topic
- No. 1 Best Seller PMP Prep Study Guide Text
- Exam Simulation Software to gauge your readiness to take the exam. Simulates the actual exam.

Participants evaluate their existing knowledge, determine what knowledge is missing, and create a study plan to fill the gaps.
