

Instructor

Mr. Sami Fahmy, PMP, P.Eng

Mr. Fahmy is a professional engineer with more than 30 years of project management experience covering a wide range of project management technical areas having managed hundreds of projects of varying size and complexity for both corporate and government organizations. He is a certified Project Management Professional (PMP) and certified as a training professional in the design and delivery of workshops. He has extensive experience as a teacher and instructor. He has taught project management courses at Northern Alberta Institute of Technology (NAIT), University of Calgary, PMI (Edmonton Chapter) and is also a visiting instructor with University of Calgary. Mr. Fahmy's depth of practical project management experience and enthusiasm for teaching project management makes this workshop a very interesting, thorough, and entertaining learning experience for all participants.
